ABINGTON BAPTIST ASSOCIATION MEETING

The First Day's Session Given Over to the Transaction of the Business of the Sunday School Union—Annual Election of Officers.

The three days' session of the Abington Baptist association opened yesterday morning in the Berean Baptist church, Carbondale, with the annual Sunday school convention. The cloudy sky during the whole day, threatening rain, prevented the sun from sending forth its warm rays of the past few days, and with cool September zephyrs made the day an ideal convention one. Although the people of Carbondale have just passed through their semi-centennial celebration, there is every evidence they have not expended all of their hospitality, but are able royally to entertain the visiting delegates to the convention. The church has recently undergone a thorough renovation and various improvements have been made about the edifice. Rev. H. J. Whalen, D. D., the congenial pastor of the church, is most heartily welcoming the delegates and is a busy man in his oversight of entertainment and other matters pertaining to the convention.

Owing to the lateness of the arrival of a train and the consequent delay of delegates the convention did not open at the hour assigned. It was near 11 o'clock when the convention convened in the spacious auditorium of the church. The delegates, who were delegates occupying places in the pews when H. J. De Graw, of Mayfield, opened the convention with a fifteen minute devotional service, after which the president, John J. Van Nort, of Scranton, took the chair. The first thing on the program was the reading of the letter of the Sunday school of the Berean Baptist church by Wilson Geary. The letter stated that the past year had been a very successful and prosperous one. Eighteen of the scholars have united with the church and three have been removed by death. An address of welcome followed, this given by A. S. Leusley, superintendent of the Berean Sunday school, who is a very hearty in spirit, and President Van Nort made a brief response, expressing the pleasure of all in meeting with this church in convention. Business was the next in order on the program and committees were called upon to report. The program committee reported, and the program as arranged and printed was adopted. E. M. Peck, of Carbondale, treasurer of the Sunday school convention, presented his annual report, stating that \$43.35 had been received and expended. Z. D. Edwards, of Blakely, and William Capwell, of Scranton, were appointed to audit the treasurer's account. The institute normal class committee was called upon to report, but made no response. The address of welcome was then held and resulted as follows: President, Z. D. Edwards, of Blakely; vice president, A. S. Leusley, of Carbondale; secretary, F. M. Koehler, of Scranton; treasurer, E. M. Peck, of Carbondale. An invitation was extended to visiting brethren and sisters to occupy seats and participate in the proceedings of the convention. At this point President-elect Edwards took the floor and in a neat address thanked the delegates for the honor they had bestowed upon him, and presided over the remaining sessions. The numbers on the program for the morning session in the way of addresses could not be carried out as Z. D. Edwards, the father of those assigned to appear to present them. This was somewhat of a disappointment to all. The topics, however, were utilized in a general discussion. The subject as to whether a successful teachers' meeting is possible was quite fully discussed and a decided difference of opinion prevailed, some claiming the possibility of such and others denying it. These facts seem to be in the predominance that where teachers' meetings are held on the prayer meeting night and at the close of the service it proves to be a success, and that a successful Sunday school can be conducted.

Uses Allen's Foot-Easy in Your Gloves

A lady writes: "I shake Allen's Foot-Easy into my gloves and rub a little on my hands. It saves my gloves by absorbing perspiration. It is a good dainty violet powder." We include attention to physicians and nurses to the absolute purity of Allen's Foot-Easy. Dr. W. C. Abbott, editor of the Chicago Clinic, says: "It is a good preparation. I am using it constantly in my practice. All drug and shoe stores sell it. Sample sent FREE. Address Allen S. Olmsted, Le Roy, N. Y."

AN ESTIMABLE LADY LAID AT REST

The Body of Miss Amy Squier Taken to Nicholson Yesterday Morning For Interment—Were Many Floral Offerings.

All that is mortal of Miss Amy Squier, who died on Saturday after an illness of about six months, and whose obituary appeared in yesterday's Tribune, was laid at rest yesterday morning from the home of her niece, Mrs. Robert Blair, on Robinson avenue. The high esteem in which Miss Squier was held by her townpeople was shown by the large number of beautiful floral pieces which bedecked the broadcloth covered casket in which she was buried. At 8 o'clock Rev. A. F. Chaffee, of the First M. E. church, conducted services. He preached a sermon which at once lauded the noble traits of the departed and consoled the survivors. Miss Squier was well known for her piety and charity, and the pastor said that she must find a high place in that home where pain and sorrow is no more. A quartette from the First M. E. church, composed of Mrs. R. Fowler, Miss J. Butler, J. Kilpatrick and H. F. Clark, sang "One Sweetly Solemn Thought" and "Asleep in Jesus."

THEATRICAL NOTES.

A Favorite Comedian Coming.

Charles Cowles, the favorite character comedian, comes to the Grand Opera house Friday night in his beautiful play so full of action, interest, comedy and pathos, music and dancing that there remains not one dull moment. A grotesque farce band will give a street parade. Do not miss seeing it.

Uncle Tom's Cabin.

There are some theatrical attractions that are not affected in the least degree by the shifting public taste. One of these is Stetson's "Uncle Tom's Cabin," the standard American drama that has retained its hold upon the public for over a decade. Its first production took place in the Troy museum. It was then put on at the old National theatre, Chatham street, New York, in January, 1853, where it employed a three year run to enormous business. It will be presented at the Grand Opera house Saturday afternoon and evening by Stetson's company, an organization which is said to be of a very superior order. The attraction will be of especial interest to the people of this city as Miss Lillian Puckert, a Carbondale girl, will play the part of Eliza. This is Miss Puckert's second year with the Stetson company.

Nell Burgess in The County Fair.

There is only one Nell Burgess, and he is coming here with that wonderful story of country life, "The County Fair." Mr. Burgess is this year making a tour under his own management, and to those who have ever seen his productions it need not be said that the presentation will be on a large scale. The production will contain, in much improved form, the features which have made it famous, and with the assistance of a capable and efficient cast there should be a treat in store. Amongst the characters are Sherman Bowles as Otis Tucker, Harry S. Robinson as Solon Hammerhead, Charles Plank as Joel Bartlett, Edmund Burroughs as Tim the Tanner, Harry R. Norman as Bill Barker, Mabel Wright as Sally Greenway, and the Transatlantic Four. This big production will appear at the Grand Opera house on Monday, September 16, and it is expected will do an immense business.

The Simla Seance.

At the Grand Opera house on Tuesday, September 17, the biggest sensation in local amusements will be offered. Sir Henry Turpin's engagement will continue five nights, and at every performance he will present "The Simla Seance," the greatest occult feature of his repertoire. The features, which are of a very high order, will be given, and that part of the program will be changed nightly, but the Simla Seance will go on every night, varied by the different queries asked by the audience. Altogether it is a wonderful show and will work up a new line of thought.

THE WATER CASE.

Argument of the Injunction Suit Will Begin Tomorrow.

The arguments in the injunction suit brought by Joseph Jernyn and others, to restrain the city of Carbondale from selling the \$45,000 bond issue to pay for the construction of a city water plant, will begin tomorrow. The case was to have been heard on Monday, but owing to the absence of J. H. Torrey, one of the attorneys for the plaintiff, on account of the marriage of his daughter, the hearing was postponed until tomorrow.

A Child Dead.

John, the 16-months-old son of Mr. and Mrs. Joseph Ortona, of Hospital street, died Sunday after two months' illness. Burial was made yesterday afternoon in St. Rose cemetery.

Expected Home Soon.

Santo Puglione, who has been in Italy for the past sixteen months, is expected to sail for home on the 25th of this month. He has been entirely restored to health.

Have Removed.

George Boucher has removed his family and household effects from No. 76 Belmont street to No. 19 Birkitt street.

Uncalled for Letters.

List of letters remaining in the Carbondale postoffice September 10, 1901, for persons unknown: J. Alimo, J. Faltz, John Pife, A. B. Hanna, Jacob Hiscott, Joseph Kano.

A Tug of War.

A tug of war team from the Cottage Home company will enter the contest for a silver trumpet at the picnic of the Vandling Home company on Saturday. The other contestants will be the Enterprise Home company of Forest City and the Artesian Home company of Jernyn.

Four New Residents.

Mr. and Mrs. Frank Lavelle, of Forty-second street, and Mr. and Mrs. Peter Lippert, of Eighth avenue, are the proud parents of two bouncing

Changes in Jobs.

William Male has secured a position as agent with the Carbondale branch of the Lackawanna Telephone company. Frank Kilpatrick, who for a year past has been with Druggist B. A. Kelly, has resigned his position.

Kind Words.

The celebration at Carbondale this week will long be remembered by those who were fortunate enough to attend. Another fifty years and the "Pioneer City" will be going the present generation one better.—Olyphant Record.

What to Do for the Baby.

In olden Greece when the wife accepted the obligation of motherhood, all her days of pre-natal preparation were spent among the fairest scenes and most beautiful objects. Wherever her eye fell it rested on beauty. Her feet moved to and fro to pleasant melodies. Her mind was fed on the high thoughts of the poets. For this reason the children of these Greek mothers furnished models of physical beauty which have ever since put the world to shame.

The time that most can be done for the baby is before its birth. With every stitch the mother puts into the dainty wardrobe she prepares there should go some happy loving thought. With every meal eaten, with every household duty easily accomplished, with each night's refreshing sleep, there should come the thought, "All this counts for baby's wellbeing."

But how can all this be possible for the woman who is in daily misery of mind and body?

It is impossible.

The first thing a mother should do for her baby is to establish her own health. If she doesn't she will bear "a child of spleen to be a thwart dispirited to torment her." The baby's wails will be but the echo of her own; the baby's face will reflect the anguish lined in her own features.

Mothers who have used Dr. Pierce's Favorite Prescription during the pre-natal period testify to its wonderful health-giving qualities; to the cheerful mind and healthy body with which the mother comes to the day of travail, and of the almost painless birth hour. It does wonderful things. It is a wonderful medicine.

THE PROOF.

Mrs. T. Dolan, of Madrid, Perkins County, Neb., writes: "I was cured of painful periods by the use of Doctor Pierce's Favorite Prescription and his Compound Extract of Smart-Weed. I think Doctor Pierce's medicines the best in the world."

Mrs. James W. Blacker, of 629 Catherine St., Syracuse, N. Y., writes: "Your medicines have done wonders for me. For years my health was very poor; I had four miscarriages, but since taking Dr. Pierce's Favorite Prescription and Golden Medical Discovery, I have much better health, and now I have a fine, healthy baby."

"I suffered fifteen years with female weakness and nervousness," writes Mrs. Vincent Bohall, of Franklin, Johnson Co., Indiana. "One year ago I began taking your Favorite Prescription and Golden Medical Discovery." I took six bottles of each and now I am well. I owe my life to Dr. Pierce. Mrs. Carrie B. Donner, of Dayton, Green Co., Wis., writes: "I can highly recommend Dr. Pierce's Golden Medical Discovery and Golden Medical Discovery." I have taken the latter for nine months previous to confinement. I suffered scarcely any compared with what I had at other times."

One thing which makes the superiority of Dr. Pierce's Favorite Prescription over all other put-up medicines for women's use is this: It cures when all other medicines have failed to cure. It does time and again what the local practitioner has failed to do, and what in many cases he declares cannot be done—cures womanly disease of long standing, and cures them perfectly and permanently.

MORE PROOF.

"I had been a great sufferer from female weakness," writes Mrs. M. B. Wallace, of Menster, Cooke Co., Texas. "I tried four doctors and none did me any good. I suffered six years, but at last I found relief. I followed your advice and took eight bottles of the 'Favorite Prescription' and four of 'Golden Medical Discovery.' I now feel like a new woman. I have gained eighteen pounds."

"My health had been poor for many years and I had taken a great deal of medicine, but it did me no good," writes Mrs. Rose Kennedy, of Springfield, Adams Co., Wis. "Last August my health was very poor; I had no appetite; could not sleep; when I went to bed I had nervous asthma and also heart trouble. I wrote to Dr. Pierce and he kindly advised me to take his 'Favorite Prescription.' I took five bottles of the 'Prescription' and one bottle of the 'Golden Medical Discovery,' and I feel like a new woman."

RAISING A BABY Is something that can't be done by instinct. It needs knowledge. All the knowledge any woman needs is found in Dr. Pierce's Common Sense Medical Adviser, containing 1008 large pages and more than 700 illustrations. This great work on household medicine and hygiene is sent FREE on receipt of stamps to pay expense of mailing ONLY. Send 21 one-cent stamps for the book bound in paper, or 31 stamps for it in cloth covers.

Address: Dr. R. V. PIERCE, Buffalo, N. Y.

baby boys. Both the mothers and children are getting along finely. Mr. and Mrs. Andrew Cavitts, of White, are happy over the arrival of twins, boys also. The number of male births in this city of late is fully double that of females.

To Cultivate Her Voice.

Miss Mina Frank will leave next week for Syracuse university, where she will enter upon a four years' course in music and languages. Miss Frank is already one of this city's most talented vocalists and has sung in both the standard and the popular songs of the hour. Her many friends wish her the abundant success her ability deserves.

JERNYN AND MAYFIELD.

The Jernyn school board met last evening. After the adoption of the minutes of the last meeting, bills amounting to \$148.15 were read and ordered paid. The only proposal for hauling coal, 30 cents a ton and 45 cents a load for removal of ashes, was from J. G. Avery, and he was awarded the contract. The building committee was instructed to procure and erect a flag pole, and Morcom, Crawford and Edmunds were appointed the visiting committee for the ensuing month.

The Mayfield Borough Council met on Monday evening. The committee appointed to give notice to the telephone company regarding taxation of poles reported progress. A communication was read from the borough attorney regarding the injunction proceedings to prevent the street car company from running their cars through the borough, and stated as the case stands now, it is lost. Health Officer Dr. Harding and Secretary Buckingham, of the board of health, were present and wanted compensation for their services. When the communication from Borough Attorney Edwards, stating upon the subject, was read, in which he stated that the board of health, being officers of the borough, are therefore entitled to no compensation, except such as may be fixed by law. It also stated that there is no law authorizing councils to fix salaries for individual members of the board of health, the latter matter being left to the board and stated as the case stands now, it is lost. The question was then laid over until next Monday evening.

OLYPHANT

The theatrical season will be opened tomorrow night at the Father Mathew Opera House, with the "Deemster." It is written by Hall Caine, author of "The Christian," and dramatized by Charles W. Chase, the well-known playwright. Mr. Chase has brought forward all the principal scenes of the book and the drama is indeed a strong one
